How to use

The cities of origin and destination have been listed alphabetically. The flights against each destination city have been listed on the basis of their time of departure.

The flight details are given in the following order - days of operation, time of departure, time of arrival, number of stops and flight number.

In case of more than one flight going to one particular city, the flights are listed according to the time of departure.

Example

To locate a flight from Delhi to Mumbai, first find Delhi and then locate Mumbai below it which is positioned alphabetically.

To choose your flight, go to column one for the days of flight and then to column two for the departure time.

In subsequent columns you will find the arrival time with the number of stations in between. The last column mentions the airline and the flight number.

RESERVATION

- Advance Railway ticket booking on the Internet is now through the site of **Indian Railway Catering & Tourism Corporation Ltd.** i.e. www.irctc.co.in. Passengers should first register themselves (free of charge) as an individual and then log in by entering the user name and password.
- The only other requirement besides registration is that the passenger should have a valid credit card. The tickets booked online are delivered through courier to the passenger at the selected 127 stations.
- Tickets can also be collected personally but at present this is restricted to the Telebooking Centre at Delhi.
- *Please note that there should be at least two working days between the booking and journey dates.*
- **TATKAL** service has been introduced by Northern Railway on Amritsar, Lucknow, Bhopal, Chandigarh Shatabdis as well as August Kranti and Rajdhani Express whereby reservation is available 24 hours before departure, at a premium of Rs. 50 for sleeper class and A/C chair car and Rs.150 for A/C three tier after producing requisite identification.
- To simplify the reservation process, Northern Railway has a **tele-booking scheme** under which the passengers can reserve the tickets on the telephone through a **special Rail Credit Card** which can be obtained from the **Standard Chartered Bank**.
- The details for the above can be obtained from the Help Desk of Standard Chartered Bank on Telephone: **23363960**.

To get information about reservation availability, status of waitlisted tickets, train schedule and stoppages, go to <http://www.indianrailways.gov.in>, the Passenger Information website managed by CRIS (Center for Railway Information Systems). It also provides an easy and innovative train search option.

In most major cities, you can also book your reserved ticket directly on the web, by logging on to the website of Indian Railway Catering and Tourism Corporation (IRCTC) <http://www.irctc.co.in>
