# *How to use*

---

**The cities of origin and destination have been listed alphabetically.**

**The flights against each destination city have been listed on the basis of their time of departure.**

**The flight details are given in the following order - days of operation, time of departure, time of arrival, number of stops and flight number**

**In case of more than one flight going to one particular city, the flights are listed according to the time of departure.**

## **Example**

***To locate an evening flight from Delhi to Varanasi, first find Delhi and then locate the city of Varanasi which is positioned alphabetically.***

***Now read the second column to find the time of departure, choose your flight and then find out from column one on which days it leaves.***

***Subsequently, you locate the carrier and the arrival time with the number of stops in between.***
