## How to use

The cities of origin and destination have been listed alphabetically. The flights against each destination city have been listed on the basis of their time of departure.

The flight details are given in the following order - days of operation, time of departure, time of arrival, number of stops and flight number.

In case of more than one flight going to one particular city, the flights are listed according to the time of departure.

### **Example**

*To locate a flight from Delhi to Mumbai, first find Delhi and then locate Mumbai below it which is positioned alphabetically.*

*To choose your flight, go to column one for the days of flight and then to column two for the departure time.*

*In subsequent columns you will find the arrival time with the number of stations in between. The last column mentions the airline and the flight number.*

# RAILWAY INFORMATION

## Circular Journey

Indian Railways provide the facility of booking Circular Journey Tickets. These tickets offer you unique travel flexibility, as they are issued for all journeys (other than regular routes) which begin and end at the same station. Circular Journey Tickets can be purchased for all classes of travel. A maximum of eight break of journeys will be admissible on these tickets. Endorsements for break journeys are not needed.

## Standard Circular Journey

Standard Circular Journey Tickets are also offered by Zonal Railways. These cover popular destinations. The details of route, fare etc., for these tickets can be obtained from nominated stations in each Zonal Railway.

Circular Journey Tickets give you the benefit of telescopic rates, which are considerably lower than regular point to point fare. These rates are calculated on Mail/Express Fares. With these tickets, you not only save time but also the inconvenience of booking tickets for each leg of the journey.

## Tourist Cars and Reserved Carriages

For large groups travelling together, Indian Railways provide exclusive coaches that can be attached to regular trains\* according to your programme. Besides the convenience of travelling according to your own itinerary, you can also enjoy total privacy and comfort.

These Tourist Cars are available in Second Class, Sleeper Class, First Class and Air-conditioned First Class with facilities for cooking. The upper class coaches have amenities such as linen, bathroom, sitting cum dining room, attendants compartment, etc.

## Special Train

For the convenience of passengers travelling in large groups, Indian Railways allow for the booking of special trains for a minimum distance of 500 kms and a minimum composition of 15 coaches.

## Special facilities for foreign tourists

Several important trains have a special quota for foreign tourists. This can be availed on payment of US Dollars or Pound Sterling. Tourists without foreign currency, will be allotted the special quota on production of the exchange certificates issued by any nationalized bank. At the time of reservation, the passport number and the country of origin should be mentioned.

## Assistance Cells

Major Reservation Centres have special Cells to help foreign tourists plan their itinerary, reserve their tickets and render any assistance required.

## Indrail Pass

This travel-as-you-please ticket has been created especially for foreign tourists and Indian nationals residing abroad. This ticket is available for a specified time period from ½ day to 90 days. Indrail Passes should be used **within one year** of issue. Validity period starts from the date of the first train journey and ends on the midnight of the last journey.

During the period of validity, foreign tourists can travel from anywhere to anywhere on the Indian Railways network without route or train restrictions and without payment of any additional charges.
